Dear Parents,

The children have been very busy learning more about the festivals of Hanukkah and Christmas. All rooms have been engaged in various activities such as moulding clay to create their own dreidel and using recyclable resources to make Christmas wreaths. Making decisions and planning how to accomplish their goals motivated them as they all seized the opportunity to use their critical thinking skills which are crucial in the children's development.

The last two weeks all rooms have been singing Christmas songs getting in a festive spirit. In addition, Aardvarks invested time in making costumes and enacting a new story this year called The Queen's present.

We hope you all manage to stay COVID free and have a lovely Christmas and a Happy New Year and we look forward to seeing everyone back in January.

With you every step

Welcome also to Shaceria Cotton who is joining us as a lunchtime cover. Shaceria is Level 2 qualified and will be joining Lemurs team.

Ellie is a Level 3 student on placement with us from Barnet College. She is currently studying for her Level 3 qualification and is currently based in Aardvarks.

Sadly after 8 years at Scribbles Janet, our chef, has left to move abroad. Janet has been a key member of our team and we will all miss her happy personality and delicious cooking. We wish her all the best for her new adventure.

COVID Safety Update

With the increasing number of cases and the new variant the DfE has advised that staff now wear masks in communal areas. As before staff will not be wearing masks when working in the rooms with your children.

Please ensure you adhere to the latest government guidance for COVID and do not bring your child to nursery if you suspect they may have COVID, until you have received a negative pcr test. If your child tests positive please let us know so we can work with Track and Trace and meet our statutory obligation to inform Ofsted.

Home Learning

We have continued to add to our **Learning At Home** section on our website which you may find useful especially over the holiday period or if you are having to self-isolate with your children. We also have a page **Parents Guides and Resources**, covering topics like oral health and potty training. If you have anything that you would like us to add then please let us know.
